

PROXY VOTING - FEE SCHEDULE

EEA countries

SGSS provides proxy services to its customers through Broadridge Global Proxy Services since 2009.

The proxy voting services include the provision of notifications, the execution of votes and the reporting on proxy activity :

- The **notification** process includes identification of proxy events, subsequent notification of such events and communication of the eligible position to be voted on.
- The **voting** process includes the communication of your voting instructions to the issuer or centralising agent and the management of physical attendance cards
- The **reporting** process includes the reporting of voting activity on client's behalf
