# Reform Of the ESAs

Updated in December 2020

REGULATORY EVOLUTION

- The European Commission (EC) made proposals on 20 September 2017 to review the functioning of the ESAs
  
- ESAs = European Supervisory Authorities
  - ESMA (European Securities and Market Authorities) for Asset Management
  - EBA (European Banking Authorities) for banks
  - EIOPA (European Insurance and Occupational Authority) for Insurance

FOCAL POINTS

- The proposal is focused in 3 main areas:
  - Funding
  - Supervisory powers
  - Governance
  
- The general direction of the initial proposal was towards more consolidation of power at the ESAs-level and away from National Competent Authorities. But finally, those ambitions have been lowered.
