SOCIETE GENERALE SECURITIES SERVICES RECEIVES MAJOR RATINGS FROM GLOBAL CUSTODIAN

Societe Generale Securities Services (SGSS) has received eight major ratings from Global Custodian magazine* in its 2013 “Agent Banks in Emerging Markets” survey. This annual survey is based on clients’ perceptions of their global custody providers.

SGSS’ overall ratings were:

- “Outperformer of the Survey” in Croatia and Czech Republic
- Top Rated “Domestic” in Croatia, Czech Republic, Romania and Russia
- Top Rated “Cross Border / Non-Affiliated” in Croatia
- Commended “Cross Border / Non-Affiliated” in Czech Republic

The rating “Outperformer of the Survey”, which SGSS received for both Croatia and the Czech Republic, distinguishes providers whose overall weighted scores for all categories were higher than, or equal to, the local market average.

In addition, for the 10th consecutive year, SGSS in Croatia was attributed Top Rated status for its services and received Top Rated status for the 4th consecutive year in both the “Domestic” and “Cross Border / Non-Affiliated” categories.

The annual survey measures the opinions of three different client groups with regard to the quality of service providers in sub-custody and clearing. All of these ratings underline SGSS’ commitment to clients as well as their knowledge and extensive experience in their respective local markets, where they are leading service providers to domestic and foreign institutions, providing consistent, sophisticated and first-class securities services.

Societe Generale: 150 years

In 2014, Societe Generale Group celebrates its 150th anniversary with a focus on entrepreneurial spirit, innovation and team spirit. Founded by a group of industrialists and financiers, the bank's very name illustrated their ambition: "Société Générale pour favoriser le développement du commerce et de l'industrie en France" ("**Societe Generale to support the development of trade and industry in France**"), as written into the Imperial decree signed by Napoléon III on 4 May 1864.

Societe Generale has always served economic development, contributing to the financing of infrastructures that symbolised the modern world and of leading French groups. Societe Generale was among the first French banks to open branches in London and in Russia in the 1870s, before expanding into the Maghreb, New York and Africa and to set up operations in Central European countries.

Societe Generale has always been at the cutting edge of financial innovation, and takes strength from its origins to assert its banking vision for the future, reinvent its businesses to serve its clients and become the reference bank of the 21st century.
